

KELİME SAFARİSİ PRIVACY POLICY

LAST UPDATED: 30.04.2026

As Kelime Safarisi (the Application), we place the highest level of importance on the privacy of our users and especially our children. This Privacy Policy has been prepared to inform parents and users about the operation of our application and data security.

1. CHILDREN'S PRIVACY AND COPPA/KVKK COMPLIANCE

Kelime Safarisi is an educational game application aimed at children aged 0-6.

- We do not collect personal data in any way from children under the age of 13 (or individuals below the age limit determined by local laws).
- Our application prioritizes child safety and ensures full compliance with the children's content policies of app stores.

2. PRINCIPLES OF DATA COLLECTION AND USAGE

- **PERSONAL INFORMATION:** Our application does not collect personal identification information such as name, surname, phone number, or e-mail.
- **DEVICE PERMISSIONS:** Our application does not request access permissions for the device's camera, microphone, contacts, or gallery.
- **GAME PROGRESS:** Earned scores and unlocked levels are stored entirely on the user's own device (local storage).
- **DATA TRANSFER:** This data is not transferred to an external server.
- **ANALYTICAL INFORMATION:** Anonymous technical data (device model, operating system version, etc.) may be processed as a standard practice to measure application performance and fix errors.

3. ADVERTISING AND DATA SHARING WITH THIRD PARTIES

- **ADVERTISING MODEL:** Rewarded ads may be included within the application. These advertisements are filtered to be appropriate for children.
- **PERSONALIZED ADS:** No behavioral or personalized advertisement targeting is performed in our application.
- **DATA SHARING:** Kelime Safarisi does not sell or share user data with third parties.
- **PARENTAL GATE:** Access to external links or advertisement interactions is protected by a parental gate (verification step) to prevent children from accidentally leaving the application.

4. DATA RETENTION AND DELETION

- Since data is stored locally on your device, all game data will be permanently deleted if you delete the application.
- Since there is no data belonging to you stored on our side, there is no need for a separate deletion request.

5. POLICY CHANGES

This privacy policy may be updated from time to time. Changes will be announced on this page with the "Last Updated" date. By continuing to use the application, you are deemed to have accepted the current policy.
